REMARKS

It is respectfully requested that a Certificate of Correction be issued and attached to this patent to correct the above errors.

No new matter is added by these corrections.

The amendments to claim 4 were entered by the Examiner during prosecution of this case and acknowledged by the Board in the Decision on Appeal (Paper #25, page 2, original claim 46), however, the amendments were not included in the patent. Therefore, since the error is on the part of the Patent Office, Patentee respectfully requests that these corrections be made under 37 C.F.R. §1.322.

Figures 11 and 13 were correct upon filing of the application, but minor drafting errors were introduced in Fig. 11 and Fig. 13 upon submission of the formal drawings. Since this is Applicant's error, the Examiner is respectfully requested to charge our credit card.

The Examiner is authorized to charge or credit any fee to Deposit Account No. 50-0320.
